APPLICATION FOR MEMBERSHIP

To: The Honorary Secretary
Friends of the Little Brothers of Francis
"Shawell", 122 Shrapnel Road
CANNON HILL Qld 4170

1. I hereby apply for membership of the Friends of the Little Brothers of Francis Incorporated.

2. I will endeavour to espouse the following principles:

Friends are those who value and support the witness of the Contemplative Orders within the Church, and the Little Brothers of Francis in particular.

They do this by developing their own prayer life and by supporting the Brothers in the following ways, as circumstances allow:

- with prayerful support of the Brothers at "Eremophila", Tabulam, and any other foundations that the Brothers may make; and
joining them in the Liturgy of the Hours, using the LBF Offices where possible.

They actively promote awareness of the Little Brothers of Francis.

They witness to the charism and spirituality of the Brothers and accept the principles of the Sources of Inspiration of the Little Brothers of Francis as underlying the ethos of the Brothers, and will endeavour to support them.

They support the Brothers with financial and practical help and may undertake works, activities and fund-raising ventures to provide facilities and resources for the Brothers.

Friends may make opportunities for fellowship with a group of Friends in worship and prayer and in learning together.

Friends promote and encourage vocations to the Religious Life of the Church and use the "Prayer for Religious Life" on Fridays, in union with the Brothers.

3. I agree that I accept the Constitution of the Friends of the Little Brothers of Francis Incorporated.
